

Tobacco Cessation Worksite Forum

Tuesday, May 1, 2018

12:30 PM - 1:45 PM (CT)

Reduce absenteeism. Increase productivity. Manage healthcare costs.

The Illinois Tobacco Quitline (ITQL) Tobacco Cessation Worksite Forum is a free informational session showcasing the services of the state's tobacco cessation Quitline available for Illinois-based employees. Participants will have the opportunity to hear first-hand from ITQL worksite partners about the financial and health related benefits. Learn about key tobacco cessation options available for your employees through the Illinois Tobacco Quitline.

This program is funded by the Illinois Department of Public Health.
